

Carterton Community College

Dear Parents/Carers,

Our students in Years 12 and 13 have been given the opportunity to visit Reading University on Friday 2nd November.

This will be an exciting trip showing the students what student life is all about in a top university. Reading University will be showing the students around the lecture halls, showing them the different courses that are available, the sports that are accessible to all students and the teams they can join and hopefully, if they have the time the student accommodation.

Even if your son/daughter has decided that they are not going to go to University, I still think this is an ideal opportunity for them to see what Higher education is all about beyond school.

There will be no charge for this trip. Lunch will be provided, however, there will be a canteen on site if the students wish to purchase anything else.

I see this as a great opportunity and a stepping stone for students to experience a day in an active university and give them confidence to visit other universities when they have their open days.

We will be leaving here at 8:45 to arrive there for 10am and then we should arrive back at school for 4pm.

If you would like any further information, please do not hesitate to contact me.

Please complete and sign the form below and return to me by Wednesday 10th October 2018.

Kind regards,
