

Carterton Community College

16<sup>th</sup> October 2018

Dear Parents/Carers,

Our Year 10 students have been invited to the *Abingdon & Witney College Scientists in Schools* day on Wednesday 14<sup>th</sup> November 2018. This is being held at the Abingdon Campus. There will be the chance to have many questions answered including:

What is genetic engineering? How are new medicines developed? How to design a pharmaceutical manufacturing facility? What is cybersecurity and why is it important? What is involved in care and support for amputees?

This will be such a great opportunity to participate in this exciting day of workshops and learn more about a range of different topics.

There will be a charge of £10 per student to cover the transport costs. This can be paid for on Parent Pay. We will be leaving Carterton Community College at 8:30am to get there for 10am and will be back for lunch at 1pm.

Please complete and sign the form below and return to me by Friday 2<sup>nd</sup> November 2018

If there is any further information you require, please do not hesitate to contact me.

Kind regards,

Jackie Mustoe  
Careers and Exams Manager

Tara Evans  
Head of Science

Damian Booth  
Executive Headteacher

Name of Student..... Tutor Group.....

I WOULD LIKE /not like my son/daughter to go on the Science trip on Wednesday 14<sup>th</sup> November 2018

(Please cross out the statement that does not apply)
